

BUCKS COUNTY ROADRUNNERS

Winter Series 2004/2005

Results

Dear Runners,

To say that this years Winter Series was a success is an understatement. Over 1500 runners line up for the 11 races and informal run. Of this number over 300 individuals took part in at least one race. In looking at totals from the past couple of years the growth in participation in this event is phenomenal. Add to this the increase in total membership in the Bucks County Road Runners and what we see is a club that is strong and viable. The credit for this goes to the participants and volunteers who run in and help stage these races.

A lot of effort is put into this event. I want to personally thank all of the Race Directors for all of their work. Their experience and expertise in coordinating and staging each race certainly made my task a lot easier and I am very appreciative of their efforts. I would also like to thank all of the volunteers who helped at each race. As a club event we expect everyone to pitch in and everyone did so this year in record numbers. This is what makes this event so unique.

I would also like to say a special thanks to Bill Schaffling who's tireless effort in helping set up each week not to mention the schlepping of equipment each week helped insure that each race was a success. I also want to say thanks to Rich Dunning who got the fire started each week and to everyone who donated wood for the fire. This certainly was a help during some of the colder weeks. What better way to end a race than to stand by the fire while having a cup of hot chocolate. Additional thanks to Ray Galenty who was out there each week selling BCRR clothing. And, finally, I want to say thanks to Bob Curci who's experience and guidance was of great help to me.

In putting together this booklet I hoped that we maintained a high level of accuracy. I am sure that some of you may find some errors and to that end I am apologizing in advance. I also want to encourage everyone to forward to me their suggestions for improving the Winter Series. Nothing in this world is perfect and I know that we made several adjustments this year due to the number of participants. Your suggestions are always welcome. I would also like to encourage everyone to contribute to the club. It is through everyone's efforts that we are able to successfully conduct the Winter Series and other events throughout the year.

Gotta Run,

Eric
