Dear Runners,

This was another successful year for the Winter Series. We had 1472 runners cross the finish line this year and this was despite the fact that we had to cancel one of our races. In addition we had over 150 volunteers. The series is growing in participation and the BCRR is growing in membership numbers.

Many thanks go out to the runners that participated in the series. Special thanks go to everyone who volunteered to help out at a race. Your efforts are truly appreciated and it because of the volunteers that we can successfully stage these race events. I also want to recognize the individual race directors whose help in putting together each of the races makes my job a lot easier. This year we had some new faces directing some of the races and I hope that these individuals will be willing to do this again in future series. Greg, Donna, Aashish and, Bruce thanks.

With growing participation we have had to adapt and I want to say thank you to Bob Curci for stepping in as our volunteer coordinator, Mark Zacharias for handling sign in and registration at each race, Ray Galenty for doing a great job in selling BCRR related items (those hats and gloves come in handy in the cold weather), Carmine Sesa for handling membership and winter series applications, Melanie Schranz for helping out with the refreshments as well as putting together the awards banquet and, Bill Schaffling who tirelessly helped set up each week not to mention the schlepping all of the equipment.

And least we not forget everyone who contributed firewood to help keep us warm both before and after the race. What better way to end a race than to stand by the fire while having a cup of hot chocolate. It is because everyone helps out in some capacity that this event is both unique and a success.

Finally, in putting together this booklet I hoped that we maintained a high level of accuracy. I am sure that some of you may find some errors and to that end I am apologizing in advance. Please also note that as announced before the start of the series we scored 8 out of 9 races so for anyone having run 9 or more races the lowest scoring races were dropped when we calculated point standings. I also want to encourage everyone to forward to me their suggestions for improving the Winter Series. Nothing in this world is perfect and I know that we made several adjustments this year due to the number of participants. Your suggestions are always welcome. I would also like to encourage everyone to contribute to the club. It is through everyone's efforts that we are able to successfully conduct the Winter Series and other BCRR events throughout the year.

Hope to see everyone at next years Winter Series,

Eric
