Winter Series Recap

When I took over the direction of the Winter Series from Bob Curci four years ago I was concerned because I never directed a race nor had I had responsibility for an event of this type that would cover 11 races over the course of a 12 week period. Bob said don't worry you'll do fine as we only get about 80 to 100 runners out to each event. So I dove into this head first not necessary knowing what to expect but knowing that I had a lot of support from guys like Bob Curci and Bill Schaffling. And then it happened. One of the first races in the series and we get 150 plus runners. Wow, this was something that now of us expected and quite frankly it caught us off guard and not knowing that this was just a start of things to come.

Over the past four years we have made a lot of small changes to help us accommodate the growth of the event. We have done this while insuring that we didn't change the integrity of the event and we kept to the homey no frill nature of the event. This year we averaged over 150 runners per race and topped out with 188 runners at the New Year Day 5K and yet everyone still received their Popsicle stick at the end of the race with their finish and everyone takes their turn volunteering to help out at a race. This is what I believe makes this a unique and special event. On most days after the race there will be some groups of runners going out to do more miles and there will be large groups just lingering around the pavilion standing at the campfire, drinking hot chocolate and just socializing. This is what the Bucks County Road Runners and in particular the Winter Series is all about. It extends beyond the competition but to the camaraderie that is enjoyed by each of the participants.

What also makes this a special event is the willingness of the runners to step in and help out as needed. Each time I made a plea for assistance someone would step up and help. Whether it was Butch Oberlander bringing us a truckload of firewood, or someone volunteering to direct a race, or having Aaron Mulder compiling the results each week, I could always depend on the club to respond. So it is with some sadness that I stepping aside this year to allow Mark Zacharias to step in as the Winter Series Director. Mark has been handling the weekly registration for the past three years. This was one of the changes that we made to accommodate the growth of the event. I know Mark will continue to make positive changes and grow these races.

As for me I am moving on to another position within the club as I take the reigns of the Club Presidency from Greg Grace. Greg has done an outstanding job in leading the BCRR and as much as I would like to take credit for the growth of the Winter Series Greg has probably played a bigger role in his promotion of the BCRR. Greg's leadership will be missed and we all wish him the best.

These races do not happen without the army of volunteers and the race directors. Before I list the race directors I want to say a special thanks to Bill Schaffling and Art Burger who volunteered at each race even though neither of these guys were able to run this year. Also thanks to the individual race directors.

Informal Run – Greg Grace

Eric Stern
